

Bedford Free Library
Crafts with Christa

Tuesday, September 29
3:30
Grades K—5

Art Overlay

Come learn about the great artist, Matisse, and his amazing technique of Art Overlay, and create your own original artwork.

We will cut out simple shapes and use the scraps of brightly colored construction paper to design a balanced work of art.

Older children will be shown how to do their name. Younger children will work on a simpler project
