

Library Garden Tour

with Diana

Thursday,
June 4th
4:30pm

- *Have you ever wondered about our enormous globe-shaped Alliums in late Spring, or which plants are native to eastern North America?*
- *Did you know that the garden is maintained by local volunteers from Rusticus Garden Club?*
- *We invite you to visit our beautiful Page Dickey designed perennial garden for an informal staff-led tour followed by Q&A and seasonal refreshments*
- *Registration required. Space is limited.*
- *This is an adult program*
