

An Evening with *The Atlantic's* John Swansburg Celebrating the 250th Anniversary of the American Revolution

Join our neighbor John Swansburg, managing editor of *The Atlantic*, for a discussion of the magazine's recent *National Magazine Award*-winning special issue, "The Unfinished Revolution," which explored the history and legacy of the war for independence. The issue features the work of leading historians such as Stacy Schiff, Rick Atkinson, Annette Gordon-Reed, and Ken Burns, alongside essays about the nation's present by *Atlantic* staff writers Anne Applebaum and David Brooks. We will also get a look at the brand-new July 2026 issue, which marks the semiquincentennial with articles on the past and future of the American experiment.

Bring your curiosity and your questions—
this is a conversation, not a lecture!
