

The Revolutionary War

Michael Stack, grade 2

Guns fire

Canons blast

Bad things happened

In the past.

First battle in the night—

Could it be the colonists' fight?

No, it won't, the British won

With a bigger army and better guns.

In the second battle of the war

Colonel Barrett shouts, AHOR!

What do we do?

Yelled his crew.

We fight for what's right.

Is this battle the colonists' fight?

It is

They won

With a smaller army and worse guns.
