

“I don’t know any poems”—Otto Costantini (2B)

I don’t know any poems
I don’t know how to make them
But if I try hard
I can probably fake one

I don’t know any poems
But I definitely like them
I like how they rhyme
And the music inside them

I don’t know any poems
But I’m going to learn some
So please pay attention
To the one I have just done
